Getting to the College

By car

Parking is available.

Parking entrance: 2 Yagur St., Haifa

By train

The nearest major railway station is **Haifa Bay Central / Merkazit HaMifratz**. From there, delegates can continue to the college by local bus or taxi.

By bus

Several bus stops are located within a short walk of the college, including **HaHashmal/Ma'alot Dov Gruner** and **HaHashmal/HaGiborim**. Lines serving the immediate area include **40, 40A, 42, and 55**, among others.

As public transport routes and schedules may change, we recommend checking **Moovit or Israel Railways shortly before travelling** for the most convenient route from your location.

Why Not Stay and Enjoy Haifa?

For those coming from further afield, the guided tour is also a wonderful opportunity to extend your visit and **spend the evening – or the night – in Haifa**.

If your institution is located a considerable distance from Haifa, you may wish to check its professional-travel policy in advance. **Some institutions provide reimbursement for overnight accommodation when travelling longer distances for conferences or professional activities**, subject to their individual policies.

For those looking for a last-minute hotel option, the **Yala app by Fattal Hotels** (<https://yala.fattal.co.il/>) is also worth checking closer to the conference date for hotel deals in Haifa.

We hope you will be able to join us not only for two stimulating days of presentations, keynotes, panels, and discussion, but also for the opportunity to meet colleagues face-to-face and experience Haifa together.

We look forward to welcoming you to **H-INET 2026!**

Warm regards,

The H-INET 2026 Conference Organizing Committee
